#### Our History

The traditional rhine valley house was formerly used as a bakery and hand stitchery before Andreas Sperger transformed it to a tavern in **1875.** 

Half a year later, my great-great-grandfather Gebhard Sperger and his wife Maria took over the "Krönele". It already consisted of a restaurant, three guest rooms and a garden.

As documented in our guest book from **1891** mainly hawker, agents, soap boilers and coopers were accommodated and fed.

Throughout five generations always the daughters – Rosa Waibel, Anna Riedmann, Wilma Fink and Ulrike Fink – took over the tavern, demonstrated their cooking skills and transformed it to a 4-star-hotel.

Between **1954** and **1986**, the "Krönele" was renovated, renewed and extended in several construction phases.

**2007** a spacious and light lobby, 42 extra rooms, an underground carpark with nearly 60 parking lots, a separate breakfast room and a seminar room were added to the hotel. As we are ecoconscious our energy comes from solar cells and geothermic.

**2019** the "Eslach-Stüble" was separated from the big hall.

We hope you feel as comfortable in the "Krönele" as we do, and we wish you a pleasant stay!

Ulrike Fink and the "Krönele"-Team
